Immersing the following issues or contents :

Life Education

Objective :

This course is designed to facilitate interaction-based listening and feedback discussion over passive (non-interactive) online listening activities, with major emphasis on free voluntary American English listening based on student interests. Textbook activities will further cultivate listening for main ideas and details, coupled with vocabulary and grammar enhancing exercises. CORE ABILITY - Social interaction based listening combined with video listening to effectively orally pass on ideas received in social and internet spoken information.
